WHEREAS, tax increment financing is an economic development tool authorized by the Tax Increment Financing Act, Texas Tax Code, Chapter 311 (the "Act"), used by municipalities to finance needed public improvements and enhanced infrastructure within certain areas of the municipality by leveraging private investment for certain types of development activities; and

WHEREAS, since 1998, the City of San Antonio has developed and adopted Tax Increment Financing ("TIF") and Reinvestment Zone Guidelines and Criteria ("Guidelines") in accordance with the requirements of the Act; and

WHEREAS, in September 2002, the City Clerk received an application and fees from Hunters Pond LLP, for the use of TIF in accordance with the Guidelines, for the Hunters Pond Project (the "Project"); and

WHEREAS, in May of 2003, City staff was prepared to present the Project to the City Council for action on a Resolution of Intent to consider designation of a TIF reinvestment zone, but was directed by the City Council to revise the Guidelines and place all pending projects on hold until the revisions were approved; and

WHEREAS, on January 8, 2004, by Ordinance No. 98663, the City Council adopted the 2004 Guidelines, invited all projects currently on hold to reapply under the 2004 Guidelines, and provided that the application fee be waived for said projects; and

WHEREAS, in June 2004, the City Clerk received an application from Hunters Pond, LLP, for the use of TIF in accordance with the 2004 Guidelines for the Project, located in City Council

District 3, in a portion of the limited purpose annexation area of the Southside Initiative, outside S.W. Loop 410 near Zarzamora Road, in the City's Primary TIF Target Area; and

WHEREAS, the application proposes public improvements for the Project, including site work, storm water pollution prevention, streets, drainage, sewer, water, sidewalks, street signs/traffic signal, street lights, a retention pond, right-of-way landscaping, utilities and park and open space improvements; and

WHEREAS, because the property must be located within the city limits of the City of San Antonio in order to be designated by the City as a TIF reinvestment zone, the applicant has also submitted a petition for voluntary annexation, which shall be reviewed in conjunction with the TIF evaluation of the Project, pending City Council approval of this resolution of intent; and

WHEREAS, the Act requires the City, prior to the creation of a reinvestment zone, to hold a public hearing on the creation of the proposed zone and its benefits to the City and the property within the proposed zone; and

WHEREAS, pursuant to Section 311.003(e) of the Act, before holding the public hearing on the creation of the proposed zone, the governing body of the City must provide written notice of the City's intent to consider designation of such zone to the governing body of each taxing unit that levies real property taxes in the proposed reinvestment zone, unless such notice is waived by the taxing units, not later than the 60th day before the date of the public hearing to designate the reinvestment zone; and

WHEREAS, the City desires to notify the governing bodies that levy real property taxes in the proposed reinvestment zone, of the City's intent to consider designation of a TIF reinvestment zone; and

WHEREAS, pursuant to Section 311.003(f) of the Act, the City Council deems it advisable to: (i) request the opportunity to make a formal presentation to the governing body of Bexar County and each school district that levies real property taxes in the proposed reinvestment zone; and (ii) notify each taxing unit that levies real property taxes in the proposed reinvestment zone of presentations to be made before the county and each school district; and

WHEREAS, pursuant to Section 311.003(g) of the Act, the City Council deems it advisable to: (i) request each taxing unit that levies real property taxes in the proposed reinvestment zone to designate a representative from such unit to meet with the City staff to discuss the project plans and preliminary reinvestment zone financing plan for the proposed reinvestment zone; and (ii) delegate to City staff the authority to call one or more meetings, as may be needed with the representatives of the taxing units; and

WHEREAS, approval of this resolution would authorize City staff to initiate an in-depth review of the project for consideration of designation of a TIF reinvestment zone; **NOW THEREFORE:**

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. The City of San Antonio ("City") hereby expresses its intent, based on preliminary review of the application of Hunters Pond, LLP, to consider the designation, at a future time, of the area commonly known as Hunters Pond as a Tax Increment Financing ("TIF") reinvestment zone, subject to the area first being annexed into the City limits.

SECTION 2. The City's expression of this intent does not constitute actual designation of or an obligation to designate the Zone, but merely indicates the intent of the City for the purpose of proceeding in the process of consideration of designation of a TIF reinvestment zone, and is based on a preliminary review of the information provided in the application.

SECTION 3. City staff is hereby authorized to provide written notice of the City's intent to each taxing unit that levies a tax in the proposed zone, request each of those taxing entities to appoint a representative to meet with City staff to discuss the proposed project, and to call and hold meetings with representatives of those taxing entities, as provided by Section 311.003 of the Act.

SECTION 4. This resolution does not preclude the City from continuing its evaluation of the application of Hunters Pond, LLP or requesting additional information from the applicant.

SECTION 5. This resolution shall be effective on and after the tenth (10th) day after passage hereof.
